Persons in Authority and Maltreatment

10. When they are a Person in Authority, Participants are responsible for knowing what constitutes Prohibited Behaviour and Maltreatment. The categories of Prohibited Behaviour and Maltreatment are not mutually exclusive, nor are the examples provided in each category an exhaustive list. Rather, what matters for the assessment of the Prohibited Behaviour and/or Maltreatment is whether the conduct falls into one or more of the categories, not into which category it falls. Abuse, assault, Harassment, Bullying, and hazing can be experienced in more than one category of Prohibited Behaviour or Maltreatment.
11. Prohibited Behaviour and/or Maltreatment can be any of the described conduct, provided the Prohibited Behaviour or Maltreatment occurs in any one or a combination of the following situations (The physical location(s) where the alleged Prohibited Behaviour or Maltreatment occurred is not determinative):

 - c) When the Participants involved interacted due to their mutual involvement in sport;

12. It is a violation of the Code for sport administrators or other Persons in Authority to place Participants in situations that make them vulnerable to Prohibited Behaviour or Maltreatment. This includes, but is not limited to, instructing an Athlete and coach to share a hotel room when traveling, hiring a coach who has a history of Prohibited Behaviour or Maltreatment, assigning guides and other support staff to a para-Athlete when the guide or support staff has a reputation for Prohibited Behaviour or Maltreatment or assigning such a guide or support staff to a para-Athlete in the absence of consultation with the para-Athlete.
